

FEED MIXER

MIN-P

FEED MIXER
MIN-P

The Incomagri MIN-P stationery feed mixer is ideal for mixing dried products in the balanced ration preparing for the daily supply to livestock. It is simple and easy to operate and guarantees a practical and homogeneous mixture.

- /// Homogeneous mixture of bran and low inclusion ingredients for the preparation of balanced feed
- /// Mixer body, feed hopper and polyethylene top cover
- /// Practical and efficient
- /// The best choice for cattle ranchers in pasture supplementation, semi-confinement and confinement
- /// Polyethylene body is Corrosion resistant
- /// Supported shaft on self-adjusting shielded bearing
- /// Lower (standard) or higher engine base versions
- /// Electric motor base or optional axle kit for diesel or gasoline drive
